Why would I run the tap

when instead

I could just

some

Pure AUSTRALIAN SPRING WATER

I'm thirsty. I'll buy a water. I'm thirsty. I'll buy a water.

Does anyone

really know

and I mean really know

what is going inside our bodies?

And does anyone

really think

and I mean really think

about how it will affect us?
or our children?
or their children?

how far down the line does it go?

when we have plastic in our cells

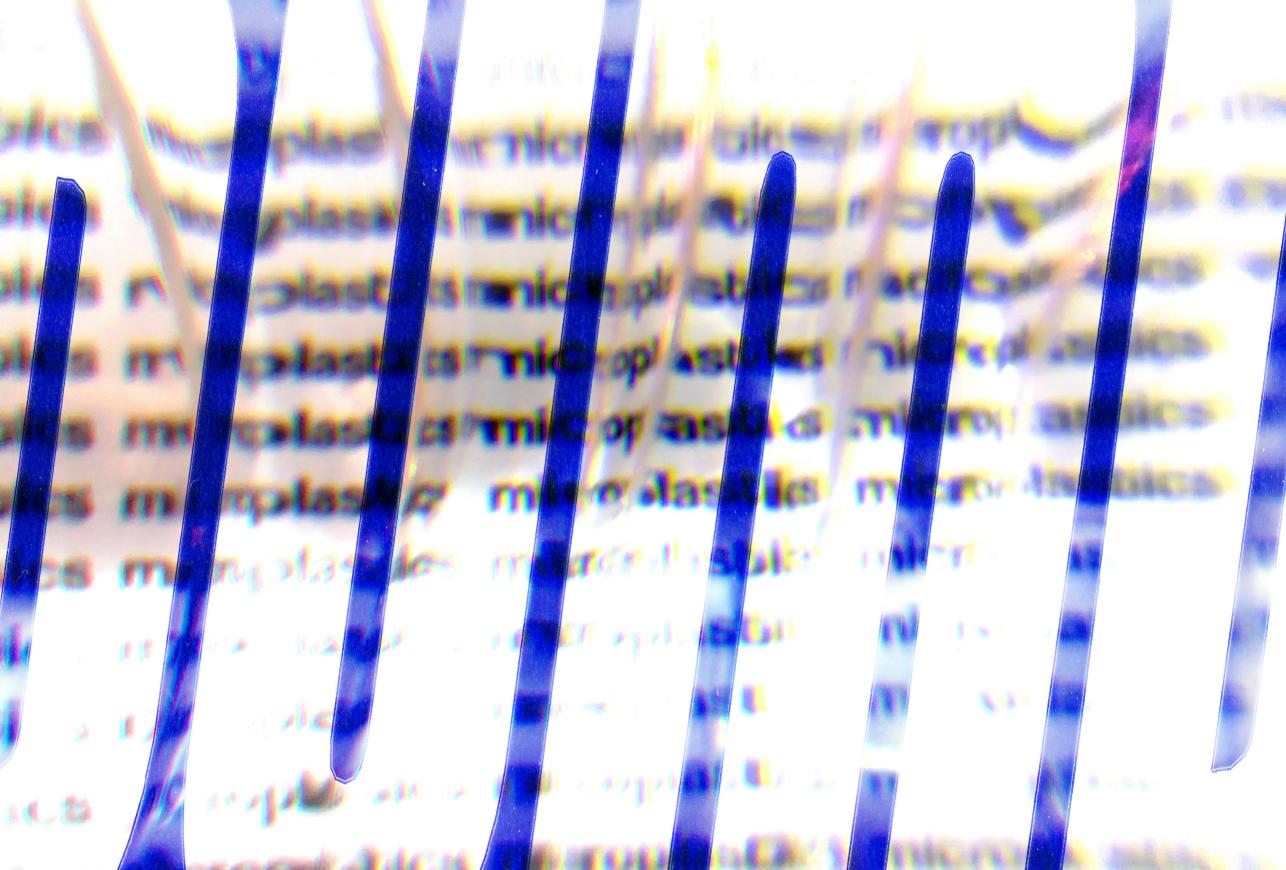

in our cells in our cells in our cells

and no one no one seems to care

Well, I care

There's plastic everywhere nowadays
```

There's plastic in

the grass

the air

the ocean.

God how I just love that

plasticcy taste when I drink from a plastic cup of nice, cold, refreshing plastic-filled water straight from a plastic water bottle made by a plastic manufacturer filling up their bottles withspring water?

And it cost me

\$6.50

\$6.50

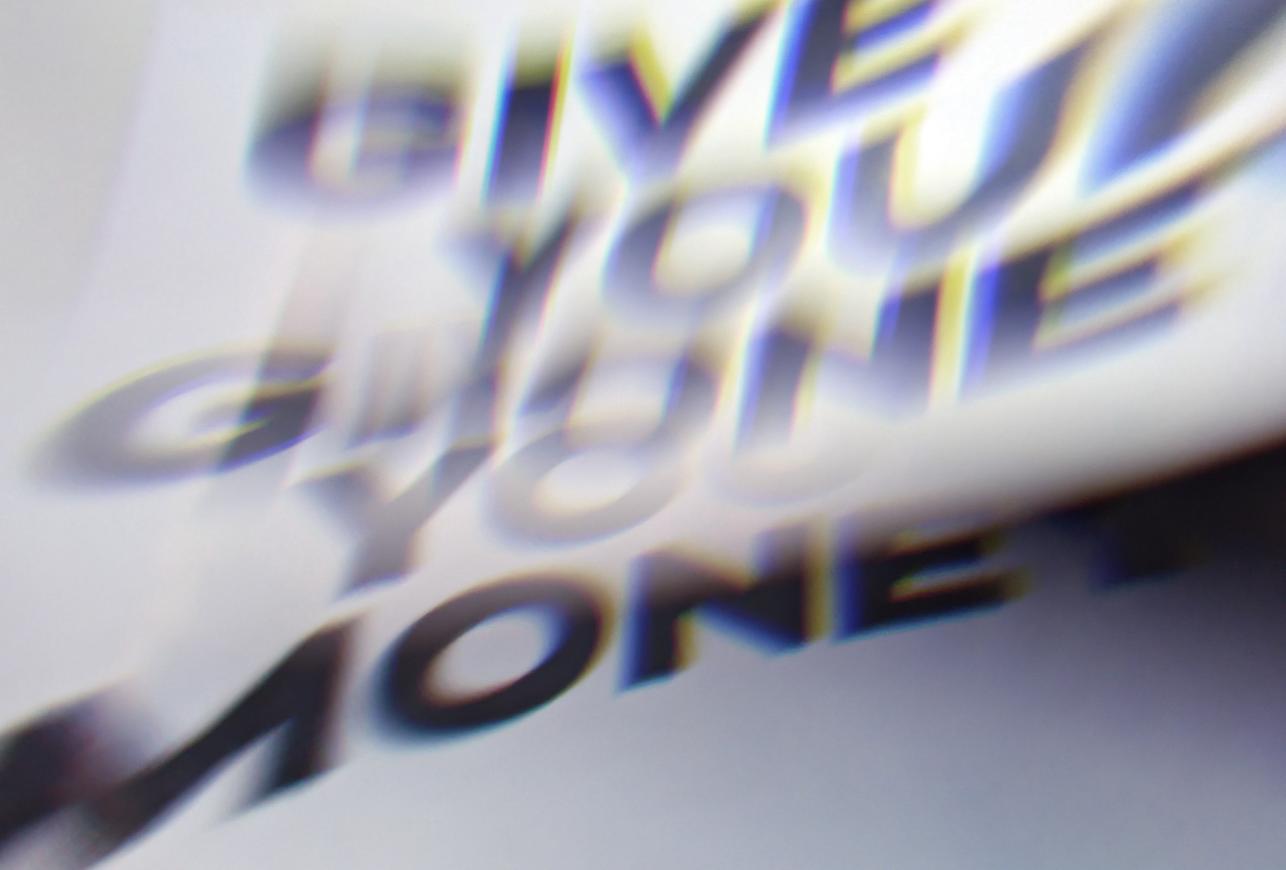

\$6.50

\$6.50

\$6.50

\$6.50

actually it cost \$8.00 but that just sounds untrue, doesn't it?

I will not be paying \$6.50 for a bottle of shitty plastic-filled water, thanks! And I'm not paying \$6.40 for a bottle of shitty plastic-filled water, thanks!
